

HUSH EAR TIP GUIDE

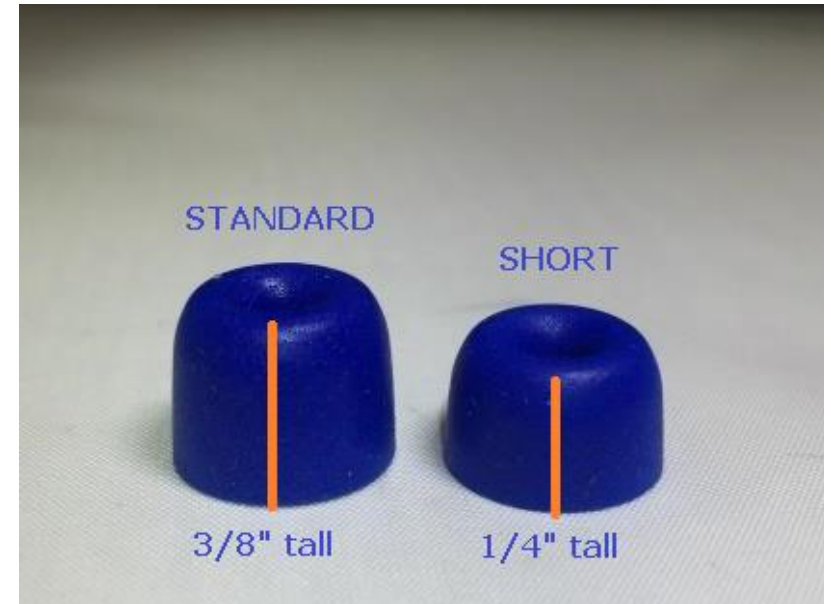

Replacement eartips for the HUSH Smart Earphones are available in either FOAM or SILICONE. For FOAM eartips:

1. Choose your size by selecting overall diameter preference (large, medium, or small), and then
2. Choose the preferred length height of the ear tip (standard or short):

1

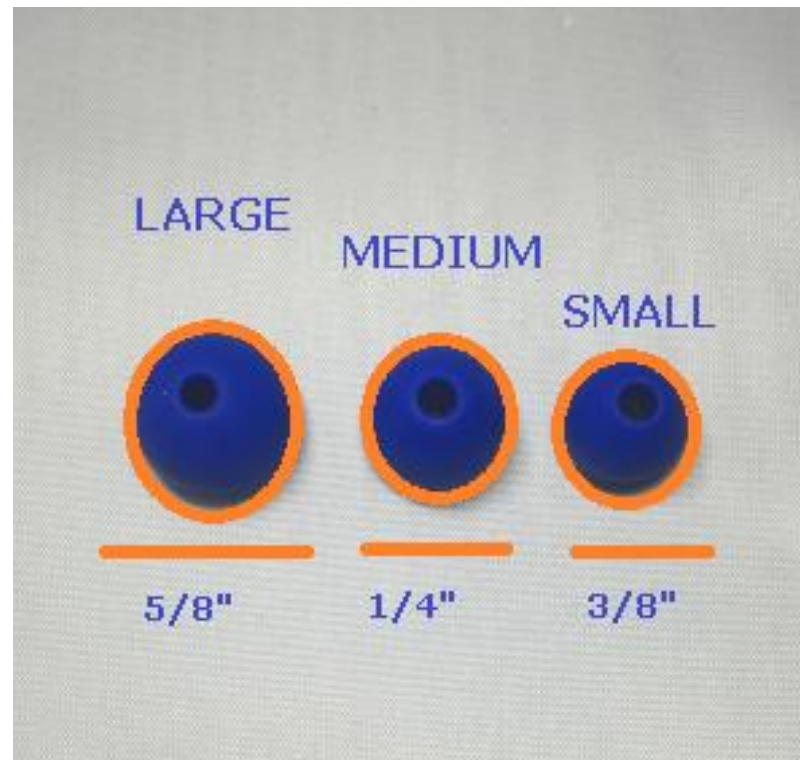

2

For SILICONE eartips:

1. Choose your size by selecting overall diameter preference (large, medium, or small)

NOTE: the silicone tips only come in one length; there is no standard versus short as seen with foam eartips
