

WHY CHOOSE REDUX?

Redux is a scientifically-proven in-office drying and treatment service to offer your patients. Our hearing care professional partners report a **10:1 ROI and 98% success rate.**

GET REDUX.

- Generate revenue.
- Save valuable practice time.
- Remove harmful moisture from aids.

REDUX IS:

FASTER

Dries most hearing aids in about eight minutes.

DRYER

Achieves complete moisture removal using endpoint drying technology.

SMARTER

Measures humidity change within the vacuum chamber in real-time.

VERIFIED

Shows the amount of moisture removed during each run.
